

St Patrick's Catholic Primary School

Autumn Term 2024 Curriculum Map – Year 6

RE	Reading	Writing	Maths	Science
• Creation This unit explores what it means to be the 'People of God' through the eyes of Moses. Having been created by God, we exercise our freedom to deepen our relationship with God and overcome the barriers of jealousy and disharmony. • Catholic Social Teaching Explores how we can all make a difference, however small, to improve our common home. We begin to make links between Catholic Social Teaching and the Gospels. We explore the Church's social teaching, particularly the Christian duty to lead by example and reach out to those in need • Charism • Mission Statement • Advent The teachings of Christ, through his parables, provide	• Shackleton's Journey • Way Home • Extracts from a range of texts. As well answering different types of questions about a text, we are working to develop our fluency, volume and intonation when reading aloud.	• Shackleton's Journey -A newspaper article celebrating the safe return of Shackleton and his crew. • Where the Poppies Now Grow - A poem to commemorate those who fought in the war. • Peace Lily - A non-fiction text about the Women's Land Army • Private Peaceful - A balanced argument addressing the question 'Were soldiers, who were shot for cowardice during the war, traitors or victims?'	• Number and Place Value (Up to 10,000,000) • Addition • Subtraction • Multiplication • Division • Factors • Multiples • Prime Numbers • Fractions • Decimals • Percentages	• Evolution and Inheritance We will be learning about how living things have adapted and changed over time and how fossils provide information about things that lived on Earth millions of years ago. • Electricity We will be learning how to draw electrical circuits using scientific symbols and will conduct a scientific enquiry.

us detailed teaching on watching and being prepared for the coming of God's Kingdom.				
History	Geography	Physical Education	Art	Design and Technology
The Ancient Greek Legacy We will develop our understanding of key events, politics, architecture, the Olympic Games, theatre and the beliefs of the Ancient Greeks.	Antarctica: Biomes and Climate By understanding the characteristics of different biomes, we will be able to identify which biome covers most of Antarctica. We will then give our opinions on which biome we find most interesting and why.	- OAA Using our orientation skills we will navigate ourselves within an unfamiliar setting (Kingswood on the Isle of Wight) where we will need to remain positive and embrace both leadership and team roles. - Invasion Games, Tag Rugby and Hockey Through a variety of games, we will develop and combine the techniques of running, throwing, catching and passing to defend and attack with increasing speed and precision.	Colour Mixing and Paint	Textiles- making a sustainable bag.
Music	Computing	PSHE	French	
- Film music - World War 2 songs - Calypso Sparkle	- E-safety We will develop our understanding of how to keep ourselves safe when online as well as what to do if something malicious or inappropriate is discovered online. - Communication and collaboration. Exploring how data is transferred	Me, My Body, My Health We will learn that celebrating differences between people is enriching to a community and know that our self-confidence should arise from being loved by God. We will learn about the physical changes that boys and girls go through during puberty and	- French Sport and the Olympics - French Football Champions	

by working collaboratively online.

- Introduction to spreadsheets

Answering questions by using spreadsheets to organise and calculate data

how we should respect and take care of our bodies as gifts from God.

How to help at home:

- Reading – Please read a range of genre and books which will help extend your child’s vocabulary. Take time to listen to your child reading aloud to help with their fluency and intonation.
- TTRockstars – Fluency in multiplication and division facts will make the maths curriculum easier to grasp.
- Homework – This is set on Google Classroom on a Friday and due in the following Friday. Encourage your child to be independent in completing homework on time and to the expected standard.
